

# Providing Capital to Help Your Business Grow

## Who We Are

Feed the Hunger Fund, is a nonprofit CDFI (Community Development Financial Institution) that provides entrepreneurs with **access to capital, technical assistance**, and **networking** opportunities to increase their income and build up their assets.

Focusing primarily on **food enterprises** owned by low-income, BIPOC, women, and immigrants. Feed the Hunger Fund exists to create healthy, equitable, and **sustainable food systems** that nourish us all.

## Why Choose Us

### Access To Capital

We offer access to short-term capital (2-7 years) ranging from \$5,000 up to \$250,000 with competitive interest rates (5-8%), minimal closing costs, and no penalties for early repayment.

### Technical Assistance

We offer you individualized technical support through business training, consulting, or other services aimed at boosting your business operations and financial well-being.

### Networking

We connect your business with our extensive network of borrowers and partners to facilitate expansion opportunities.

## Are we a good fit?

### Target Market

- Low-Income Household (80% AMI)
- BIPOC, Women, &/or Immigrants

### Primary Business Sector

- Agricultural enterprises
- Food services
